

WELLINGTON AND DISTRICTS ASSOCIATION

President: Mr M. Colbourne.

Secretary: Miss V. Cameron.

Treasurer: Mr M. Brown.

The highlight of the 1960 season was our Scottish Country Dance Ball and although the attendance was not quite as large as expected those present had an enjoyable time. Music was provided by Jack Seton's Band.

This was the first truly Scottish Country Dance Ball held in New Zealand and the Association has decided to hold another this year on Saturday, May 27. What about it? Make up a party, come on down (or up!). We will endeavour to arrange billets for those from out of town.

During the year the Atholl Club's resignation from the Association was received with regret, but to offset this we were pleased to welcome the Levin Club to the Association.

Percy's Reserve was again the spot for dancers in Wellington during the summer months. It is hard to imagine a more favourable spot than this for outdoor dancing, and it has always been well supported by dancers and spectators.

Unfortunately the weather spoilt what would have been an excellent display which we had arranged for the Wellington Highland Games.

The following is a list of clubs affiliated to the Association and each would be pleased to make you welcome should you visit their district: Wellington, Eastbourne, Randwick, Lower Hutt, Wallaceville, Featherston, Saltire (Carterton), Morisons Bush, Masterton, Wainuioru, Levin.
