Intermediate class

For dancers who are familiar with all common steps and basic formations and have a reasonable level of fitness. You should be able to maintain your steps (rhythm and foot positions) most of the time and be able to dance familiar dances from a briefing.

The teacher of the Intermediate class will be improving the accuracy of your steps (including transitions between steps), and the level of your technique and phrasing so that you are able to complete the dance more tidily, maintain the shape of formations and confidently transition from one formation to another.

Applications – to be received no later than a week before your first class

Please complete the online registration form by clicking [here](https://www.wellingtonscd.org.nz) or go to the website www.wellingtonscd.org.nz

Your club tutor and the class tutor will consider registrations prior to the classes starting and may suggest an alternative class for you if they feel it would be more suitable.
