

## Mildred Clancey's Strathspey

A four couple, 32 bar strathspey in a longwise set

- 1-4 First couple set once and cast down round second couple while fourth couple set once and cast up round third couple. Second couple move up and third couple move down on bars 3-4.
- 5-8 First and fourth couples turn partner with right hands one and a quarter times to finish in a line of four up and down the middle. The men finish facing down and the women finish facing up.
- 9-12 First and fourth couples set with "The Glasgow Highlanders" setting step.
- 13-16 First and fourth couples dance a half reel of four up and down the middle, passing partner by right shoulders to begin. The women finish facing down and the men finish facing up.
- 17-20 Fourth and first couples set with "The Glasgow Highlanders" setting step.
- 21-24 Fourth couple turn with left hands three-quarters round to finish between second couple facing up, then cast down round second couple on own sides while first couple turn with left hands three-quarters round to finish between third couple facing down, then cast up round third couple on own sides.
- 25-32 Second and fourth couples and first and third couples dance hands across and back.

Repeat from new positions.
